International exhibition organizer Savor International Limited with Fireworks Media Group, Singapore is going to organize 2nd edition of 'Bangladesh International Marine and Offshore Expo 2019 – BIMO' on September 19-21, 2019 at International Convention City Bashundhara.

This three-day long exhibition will incorporate with 'Ship Recycling', 'Shipping Logistic and Port', 'Ship Building', 'Offshore Oil and Gas Support', 'Fishing Vessels Fisheries' and 'Bangladesh International Marine Conference 2019'. The exhibitor said that Bangladesh is traditionally a ship building nation and has a rich heritage of timber shipbuilding of many hundred years and the maritime sector is the next thriving sector after RMG. Thus we need more attention from government and private sector to grow up the industry.

International exhibition organizer Savor International Ltd with international alliance of Fireworks Media Group Singapore is going to organize 2nd edition of Bangladesh International Marine and Offshore Expo (BIMOX 2019) at International Convention City Bashundhara from September 19-21, says a press release on Sunday.

Ship Recycling, Shipping Logistic, Port, Ship Building, Offshore Oil and Gas Support, "Fishing Vessels Fisheries" and Bangladesh International Marine Conference 2019 are incorporating the event.

Shipbuilding is a growing industry in Bangladesh with great potentials. Bangladesh has a long history of ship-

building dating back to the early modern era. Maritime industry is projected to be the most thriving sector in Bangladesh after RMG. But to develop, this industry needs more attention from government and private sector. "Bangladesh International Marine & Offshore Expo - BIMOX" is an innovative initiative that also contributing to rejuvenate our maritime industry.

The 1st edition of BIMOX 2018 was held at the heart of the maritime industry Chittagong. This exhibition was tremendously successful and draws the attention of maritime industry professionals, stakeholder and others. Experts say, this kind of exhibition will perform very important role to develop and modernize our maritime industry.
